Potholes by Doynton Village Church on church road despite numerous reporting over several months and photographs being sent by the Chair have not been repaired and the clerk will ask Boyd Valley Cllrs if they can help chase.

Some traffic calming renewal of white lining and new Slow signs have been undertaken in High Street and Bury Lane however, the previous Slow white lining on Bury Lane and lines approaching the narrowing part near Close farm and Doynton House have not been renewed. The clerk will ask Neil Trotter if they could be reinstated.

EW

8.1.1a Members happy to support in principle the request from Neil Trotter of a 20-mph speed limit under investigation on a Highways Request Scheme within the village. Originally thought to be within the Village gateways area, however now with the suggestion to include Mill Lane and Bottoms Farm Lane. The clerk will advise.

EW

8.1.2 Public Rights of Way.

Parapet fallen on the Ancient Pack horse Bridge of Cleeve Bridge.

Although in Wick Parish Boyd Valley Cllr. Ben Stokes has reported this to the Council Conservation officer who was unaware of the bridge as it is not listed.

He suggests the DPC with the local history known by members should contact Historic England to complete a form to propose the bridge obtains "listing" status. The support of Cllr. Crew's understanding of the history of the bridge could be successful to obtaining the listing and therefore the bridge benefit from statutory protection.
